I declare that the information provided is correct and that I have read and understood the guidance notes.

Signature:

Date:

Guidance notes

PERSONAL DETAILS

Student UCAS number: enter your student ID number as supplied from UCAS (UK/EU students).

Regional office number: if you are applying through a regional office please enter your reference number as supplied from the regional office.

Middlesex student number: enter the number given to you in your offer letter from the University Admissions Office. This is different from your UCAS number.

Name: please enter the exact family and first name you used on your Middlesex admissions form or UCAS form.

Date of birth: day/month/year (eg 31/01/1981).

Country of birth: state your country of birth.

Nationality: state your nationality (as given on your passport, if you have one).

CONTACT ADDRESS

For UK addresses please include your postcode in the box provided. For applicants with overseas addresses, where a code forms part of the address, please enter the code in the main body of the address, which must also include the name of the country. Please supply a mobile number with country code and email address, if you have one, to assist us in making contact. Please ensure your email address is both legible and current as this will be our primary means of contact when making your hall offer. It is your responsibility to check your email account regularly and it is advisable to check your junk/bulk mail folders.

COURSE DETAILS

Course title: Insert programme name (include UCAS code where applicable).

Award: please indicate if you are on a Undergraduate (UG), Postgraduate (PG), Foundation course (FD) or College of Further Education (CFE). If you are a College of Further Education student, please supply name of college. If you are studying as part of an exchange or study abroad programme please indicate this. Also, please give the name of your overseas home institution.

Base study campus: enter the campus where your classes will be held. Those students studying at more than one campus should indicate where the bulk of their classes will be held as 'main study campus' and where the remainder are as 'other campuses' (if known). It is important you inform the FMS Central Administration Accommodation Team of any changes in these details as this will have an impact on which hall you are offered.

ADDITIONAL INFORMATION

If you have physical/medical needs which you believe should be taken into account please

contact the disability adviser by email: disability@mdx.ac.uk to discuss your requirements.

ACCOMMODATION REQUESTS

Please give three preferences for hall accommodation: hall descriptions are shown in the Welcome brochure. Where the offer of a hall place is made, Middlesex Accommodation Team will endeavour to offer a room taking account of your preferences. If we are unable to do this we will try to offer you an alternative hall room. Please consider any alternative offer carefully before accepting or declining. Students can only choose halls of residence associated with their base campus as options across campuses are usually not accepted.

CONTRACT REQUIRED

Please indicate the length of contract you require. If you fail to select one of the listed contracts you will be issued: a standard contract (S) for September start, or a (J) contract for January start. Your contract for accommodation is a binding agreement. Please read the terms and conditions carefully, which will be sent to you when we are able to offer you a place in halls. There will be a break clause (an opportunity for you to terminate your contract) as follows, if you later decide you have chosen the wrong contract. Please refer to the terms and conditions for the break clause deadline for your intake.

September intake: whether 40 or 50-week contract, there is only one break clause to leave in January.

March intake: health studies/nursing students who arrive in March have one break clause to leave in August.

Please refer to your Student Residence Agreement Middlesex University for the exact break clause deadline for your intake.

DEPOSIT DETAILS

Deposit: please indicate your chosen method of paying your deposit. If you are able to pay by credit or debit card, we will refund to that same credit card at the end of your contract. This is by far the quickest method of returning your deposit. If you've paid at a regional office please indicate which one. The amount of £200 may vary at your regional office. We only accept bankers drafts in pounds sterling drawn on a UK bank account (please write your name and your student number on the back of the draft) or credit/debit card details.

WE CANNOT ACCEPT CASH, PERSONAL CHEQUES, AMERICAN EXPRESS OR DINERS CLUB

Continues overleaf

Guidance notes

(continues from previous page)

Your application will not be processed until your deposit details are supplied.

Card number: this is the 16-digit number across the centre of the card. Switch cards may have additional digits.

Security code: this can be found on the reverse of the card above the signature section. Please write the last three digits of this code. Card holder's postcode and house number should be the same as the address to which the credit card statement is sent – this is required for security purposes.

NOTE: if you are made a hall offer you should be certain that you want the room before accepting. If you change your mind at a later date you will not receive a refund of your deposit.

Important – please note: this halls application form should only be completed and signed by the student applying for accommodation. It should not be completed by anyone else – parents, regional office staff or Middlesex international agents – as it is expected that these guidance notes have been read and understood by the applicant.

Rents 2009/2010

Hall	Weekly Rate
Usher Hall	£103.46
Platt Ha	£100.03
Writtle House	£92.05
